We believe children are most successful when a strong partnership is formed between school staff and families. Your time, opinion, suggestions, and support are valued as we work together to provide our students with the best possible education in a safe and nurturing environment. As a team, we believe there are endless possibilities for all children.

# About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <u>https://www.cde.ca.gov/ta/ac/sa/</u>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <u>https://www.cde.ca.gov/fg/aa/lc/</u>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

# Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2020-21)

Porterville Unified School District held a Public Hearing on August 27, 2020 and determined that each school has sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English Learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. The chart below displays data collected in August 2020, regarding textbooks in use during the 2020-21 school year.

#### School Facility Conditions and Planned Improvements (Most Recent Year)

Belleview Elementary School was originally constructed in the early 1920's and has since undergone complete modernization. In the summer of 2009, the cafeteria and students restrooms were remodeled, and the covered walkways were built for hallways. A new two-story building containing 11 new classrooms was completed Spring 2016. The campus is currently comprised of 17 classrooms total, a library/resource room, a cafeteria, two playgrounds (a kindergarten playground and a main yard), and the main office which includes a staff room.

#### **Cleaning Process**

The school provides a safe and clean environment for students, staff, and volunteers. The district governing board has adopted cleaning standards for all schools in the district. Basic cleaning operations are performed on a daily basis throughout the school year with emphasis on classrooms and restrooms. A joint effort between students and staff helps keep the campus clean and litter-free. The principal works daily with the custodial staff to develop sanitation schedules that ensure a clean, safe, and functional learning environment.

#### Maintenance & Repair

A scheduled maintenance program is administered by the school's custodial staff on a regular basis, with heavy maintenance functions occurring during vacation periods. Additionally, a scheduled maintenance program is administered by the district to ensure that school grounds and facilities remain in excellent repair. A work order process is used when issues arise that require immediate attention. Emergency repairs are given the highest priority; repair requests are completed efficiently and in the order in which they are received. At the time of publication, 100% of the school's restrooms were in working order.

#### **B. Pupil Outcomes**

#### **State Priority: Pupil Achievement**

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

# C. Engagement

#### State Priority: Parental Involvement

- The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):
  - Efforts the school district makes to seek parent input in making decisions for the school district and each school site

#### **Opportunities for Parental Involvement (School Year 2020-21)**

Parents are elected to our School Site Council (SSC) and English Learner Advisory Committee (ELAC) where they participate in needs assessments and decision making to improve the education of our students. Parents play an active role in the community and at the school site by assisting with special activities, fundraising and attending parent educational/information meetings such as Back to School Night, Open House, parent conferences, Literacy Lab, and PIQE, our Parent Institute for Quality Education. Parents are encouraged to help in the classrooms, with school activities, and field trips. Our school has a Parent Involvement Policy and School Compact is presented to parents yearly.

Parents who wish to participate in the school's leadership teams, school committees, school activities, or become a volunteer may contact the main office at (559) 782-7110. For the safety of our students, all volunteers are fingerprinted and cleared through the Department of Justice. Appointments are made with the school secretary. The district's website, www.portervilleschools.org, also provides a variety of helpful resources and information for parents, students, staff, and community members. Belleview's website, www.belleview.portervilleschools.org, contains our school calendar where events and opportunities for parental involvement are listed.

#### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

#### School Safety Plan (School Year 2020-2021)

The safety of students and staff is a primary concern of Belleview Elementary School. Our campus is fully enclosed by a fence with locked gates. Belleview staff supervise students on campus before school, after school, and during morning recess and at lunchtime. As part of our PBIS structures, students are also supervised during transition periods throughout the day. Administrators provide ongoing supervision of students throughout the campus. Staff wear a neon green PUSD Safety Patrol vest for easy identification and location. PUSD employees wear their district identification badge at all times. For the safety of our students, all volunteers are fingerprinted and cleared through the Department of Justice. Appointments are made with the school secretary. Additionally, Belleview uses the Raptor School Safety System which requires visitors on campus to present identification and be screened through the Raptor system in the front office prior to entering campus. Instant visitor identification badges are printed with the visitor's photo, and date and time of the visit. The Raptor School Safety System also provides a silent alarm to law enforcement in case of emergencies. The School Site Safety Plan is in a marked binder on the wall by the door in each room on campus. Key elements of the plan focus on emergency preparedness. The school is in compliance with the laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. Emergency drills are held on a regular basis; fire drills, earthquake drills, and secure campus drills. For the safety of our students, all volunteers are fingerprinted or sudents, all volunteers are fingerprinted and cleared through the Department of Justice. Appointments are made with the school secretary.

The School Site Safety Plan was most recently reviewed in Fall 2020 by the Safety Committee.

A constructive evaluation process promotes quality instruction and is a fundamental element in a sound educational program. Evaluations and formal observations are designed to encourage common goals and to comply with the state's evaluation criteria and district policies. Temporary and probationary teachers are evaluated annually and tenured teachers every other year, veteran teachers evaluated every third year or as needed. Evaluations are conducted by site administrators, who have been trained and certified for competency to perform teacher evaluations. Evaluation criteria includes the following:

- Engaging and Supporting all Students in Learning
- Understanding and Organizing Subject Matter for Student Learning
- Assessing Student Learning
- Creating and Maintaining Effective Environments for Student Learning
- Planning Instruction and Designing Learning Experiences for all Students
- Developing as a Professional Educator

Staff members work in a Professional Learning Committee to build teaching skills and concepts through participating in professional development that focus on improving instruction and assessment. Teacher collaboration time is utilized during common prep and during early release Wednesdays. During this time, teachers are offered a broad-based variety of professional growth opportunities in curriculum, instruction, and assessments. Our school-wide focus includes aligning instruction with CC shifts, motivating and inspiring students, using Illuminate, and meeting Progress Adviser instructional goals. PUSD is currently transitioning and fostering change in the areas of Common Core, one to one technology and Linked Learning.

For additional support in their profession, teachers may enlist the services of the district's Teacher Induction Program (TIP) facilitator and/or the IMPACT program.
