Principal's Message

"To accomplish great things, we must not only act, but also dream; not only plan, but also believe. Be Relentless." ~ Anatole France

MISSION: Pioneer Middle School's Mission is to provide a rigorous stimulating academic environment in which Students find both challenge and support. We encourage a sense of personal responsibility, critical thinking, creativity, and technological skills to become independent lifelong learners.

VISION: By maximizing focused and rigorous learning opportunities in communication, collaboration, critical thinking, and creativity, ALL students can reach their potential in the classroom and into the future becoming productive members of society.

The teachers at Pioneer Middle School are educators who value and understand the importance of working with young adolescent minds. As a professional learning community, we strive for continued improvement of the academic program. Teachers are continuously engaged in collaborative research, problem-solving, and reflective dialogue that enables them to examine their practices with the ultimate goal of improving student achievement. Pioneer continually strives to create a college-bound academic culture where students play a major role in their own learning and education.

We have emphasized the achievement of every student in every classroom. This approach makes sure that poor performance is not acceptable and each and every adult is accountable to the students that sit in front of them every day. By placing relentless focus on individual performance, we have implemented a vital cycle of instruction, assessment, and intervention, followed by more instruction, assessment, and intervention. We believe in all of our students and will do whatever it takes to make them successful. The students have developed an attitude of "I can and I will" when it comes to their academic success.

Community & School Profile

Porterville, lying along the foothills of the Sierras, is located on State Highway 65, 165 miles north of Los Angeles, and 171 miles east of the Pacific Coast. Centrally located to major markets, the city has strategic access to major transportation routes. Porterville Unified School District serves more than 14,000 students throughout the community, as well as the town of Strathmore. The district is comprised of ten elementary schools, three middle schools, four comprehensive high schools, one magnet academy, one continuation high school, and two alternative sites.

Centrally located within city limits, Pioneer Middle School serves students in grades six, seven, and eight on a traditional calendar schedule. Curriculum is based on improving literacy and mathematical comprehension, with special emphasis placed on cultural awareness. Diverse literature selections, the "Habits of Mind" program, and various cultural observances promote a climate of tolerance and acceptance among students and faculty.

During the 2017-2018 school year, approximately 800 students were enrolled at the school. Student demographics are displayed in the chart.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

Porterville Unified School District held a Public Hearing on September 13, 2018 and determined that each school has sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English Learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. The chart below displays data collected in August 2018, regarding textbooks in use during the 2018--2019 school year.

School Facility Conditions and Planned Improvements (Most Recent Year)

Pioneer Middle School, originally constructed in the 1950s, is currently comprised of 35 classrooms (including portables), a library, four computer labs, one staff room, a cafeteria/multi-purpose room, one athletic field, and the main office. All facilities have been modernized and upgraded throughout the years.

The most recent renovations to the campus occurred in 2009, and included the construction of a county-sponsored, multi-million dollar Special Education facility. The state-of-the-art building replaced a number of older portable classrooms on the property and serves the needs of numerous students throughout the district. The chart displays the results of the most recent school facilities inspection, provided by the district in November 2018.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2017-18 CAASPP Results for All Students						
Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
ELA	31.0	38.0	39.0	44.0	48.0	50.0
Math	13.0	18.0	23.0	27.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students						
Subject	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)					
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
Science	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

Grade Level	2017-18 Percent of Students Meeting Fitness Standards		
	4 of 6	5 of 6	6 of 6
7	19.4	23.8	27.2

* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Foster Youth	11	11	100.00	18.18

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2018-19)

Parents and the community are very supportive of the educational programs in the Porterville Unified School District. The Parent Teacher Organization (PTO) plays a special role in the community and at each school site through fundraising and special activities. In addition to chaperoning field trips and volunteering in the classroom, Pioneer Middle School has established a school-to-home connection in which parents agree to have their children at school each day, provide assistance with homework when necessary, and read with their student each day. PIQE is also offered to parents to offer guidance at home and school. Ipad Parent nights are offered to educate parents on the purpose and use of computers in the classroom.

Contributions by the following community partners add to the programs available at Pioneer Middle School: Wal-Mart and Wal-Mart Distribution Center, Lion's Club, Eagle Mountain Casino, Veterans of Foreign Wars, and Target.

Contact Information

Parents who wish to participate in the school's leadership teams, School Site Council (SSC), English Learner Advisory Committee (ELAC), school committees, school activities, or become a volunteer may contact the main office at (559) 782-7200. The district's website (www.porterville.k12.ca.us) also provides a variety of helpful resources and information for parents, students, staff, and community members.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

The safety of students and staff is a primary concern of Pioneer Middle School. Teachers and administrators supervise students on campus before and after school and during recess. Noon duty supervisors monitor students during the lunch break. All visitors must sign in at the Pioneer Middle School office and receive proper authorization to be on campus. Visitors are asked by the staff to display their pass at all times. For the safety of our students, ALL volunteers are fingerprinted and cleared through the department of Justice. All appointments are made with the school secretary and HR.

The School Site Safety Plan was most recently revised in Fall 2018 by the Safety Committee. Key elements of the plan focus on emergency preparedness. The school is in compliance with the laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Emergency drills are held on a regular basis; fire drills are held once a month, earthquake and lock-down drills are held at least 4 times a year.

For the safety of our students, all volunteers are fingerprinted and cleared through the Department of Justice. Appointments are made with the school secretary.

Social Science	26.0	29.0	29.0	3	5	6	23	13	12	1	10	11

* Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Professional Development provided for Teachers

A constructive evaluation process promotes quality instruction and is a fundamental element in a sound educational program. Evaluations and formal observations are designed to encourage common goals and to comply with the state’s evaluation criteria and district policies. Temporary and probationary teachers are evaluated annually and tenured teachers are evaluated every other year.

Evaluations are conducted by site administrators, who have been trained and certified for competency to perform teacher evaluations. Evaluation criteria includes the following:

- Engaging and Supporting all Students in Learning
 - Understanding and Organizing Subject Matter for Student Learning
 - Assessing Student Learning
 - Creating and Maintaining Effective Environments for Student Learning
 - Planning Instruction and Designing Learning Experiences for all Students (Common Core Standards)
 - Developing as a Professional Educator
- *Using Technology to Enhance learning (Reading and Writing across the Curriculum)
 *ELL Strategies

Staff members build teaching skills and concepts through participation in conferences, workshops, and PLC's throughout the year. For the past three years, the district has offered numerous staff development days. During this time, teachers are offered a broad-based variety of professional growth opportunities in curriculum, teaching strategies, and methodologies. The school uses the Best Practices teaching strategies and teachers are trained in the techniques each year.

For additional support in their profession, teachers may enlist the services of the district’s teacher supports TIPS.

Types of Services Funded

In addition to general state funding, Porterville Unified School District received state and federal categorical funding for the following support programs:

- Title I, Basic Grant
- Title II, Teacher Quality & Technology
- Title III, Limited English Proficiency

* Title VI, Indian, Native Hawaiian, and Alaska Native Education.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
