Principal's Message

Welcome to Roche Avenue Elementary School! Our Roche Avenue Team is driven to provide a safe, nurturing and challenging learning environment for your children. We support and actively promote the intellectual, social, emotional and physical growth development of every student. Our school provides comprehensive curriculum based instruction, supporting every student with their goal of achieving academic excellence. We are a professional learning community who strongly believes that every student can learn. We are faithfully committed to the implementation of research based instructional strategies optimizing the learning process for all our students.

Along with academic excellence, it is equally important to develop and instill positive character traits in all our students. Academic excellence and good character are essential for success. Our school is a place where parents, staff, students, community members, and administrators work together as a team to ensure the best possible education for all of our students.

We look forward to working with you as we make your child's education and safety our primary priority. If you have any questions, concerns or suggestions please feel free to visit or call our school. I look forward to meeting you and answering any questions you might have regarding Roche Avenue School.

School Mission Statement

The community of Roche Avenue School will work together to ensure that all students will master grade level standards and achieve academic excellence through high expectations with a singular focus on learning.

Community & School Profile

Porterville, at the base of the foothills of the Sierras, is located on State Highway 65, 165 miles north of Los Angeles, and 171 miles east of the Pacific Coast. Centrally located to major markets, the city has strategic access to major transportation routes. Porterville Unified School District serves more than 14,000 students throughout the community, as well as the town of Strathmore. The district is comprised of ten elementary schools, four middle schools, four comprehensive high schools, two magnet academies, one continuation high school, and two alternative sites.

Roche Avenue School serves students in grades kindergarten through six on a traditional calendar schedule. Curriculum is based on improving literacy, Language Arts and mathematics competency, with special emphasis placed on cultural awareness. Diverse literature selections and various cultural observances promote a climate of tolerance and acceptance among students and faculty.

During the 2017-2018 school year, 358 students were enrolled at the school. Student demographics are displayed in the chart.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

Porterville Unified School District held a Public Hearing on September 13, 2018 and determined that each school has sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English Learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. The chart below displays data collected regarding textbooks in use during the 2018-2019 school year.

Textbooks and Instructional Materials Year and month in which data were collected: August 2018	
Core Curriculum Area	Textbooks and Instructional Materials/Year of Adoption

School Facility Conditions and Planned Improvements (Most Recent Year)

Roche Avenue School was originally constructed in 1919 and modernized in the early 1990s. A kindergarten facility was added to the campus in 2003. During winter 2007, new Kindergarten playground equipment was installed and sidewalks were added between the playground and classrooms in order to increase handicap accessibility. Construction of two new classrooms with attached student bathrooms were just completed in 2014. Additional playground equipment was installed in 2014 as well, which includes a rock climbing wall.

The campus is currently comprised of 19 classrooms (including portables), a resource room/staff lounge, a library, one reading lab, a cafeteria, one playground, and the main office. The chart displays the results of the most recent school facilities inspection, provided by the district on November 2018. The Category and Ranking Totals received are indicated by a "Exemplary" rating of 97.02%. Most of the structural issues that are in question are from chipping paint on one door frame, a few discolored ceiling tiles and weather stripping missing on one door. A work order has been generated to replace all damaged or missing ceiling tiles, repair painted areas and install weather stripping.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2017-18 CAASPP Results for All Students						
Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
ELA	28.0	42.0	39.0	44.0	48.0	50.0
Math	19.0	31.0	23.0	27.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students						
Subject	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)					
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
Science	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

Grade Level	2017-18 Percent of Students Meeting Fitness Standards		
	4 of 6	5 of 6	6 of 6
5	16.7	31.7	20.0

* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

**School Year 2017-18 CAASPP Assessment Results - English Language Arts (ELA)

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3--Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2018-19)

Parent & Community Involvement

Parents and the community are very supportive of the educational programs in our district. The School Site Council plays an active role in the community and at each school site through fundraising and special activities. In addition to chaperoning field trips and volunteering in the classroom, Roche Avenue School has established programs for parents and grandparents to volunteer their time for after-school activities. Parents of our English Learner students are also invited to participate in our English Learner Advisory Committee (ELAC), Parent Institute For Quality Education (PIQE), Family Fun Nights, Roche Avenue Annual Harvest Festival, Open House, Coffee with the Principal and our Book Fair are special evening events that the whole family enjoys.

Contact Information

Parents who wish to participate in the school's leadership teams, school committees, school activities, or become a volunteer may contact the main office at (559) 782-7250. The district's website (www.portervilleschools.org) also provides a variety of helpful resources and information for parents, students, staff, and community members.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

The safety of our students and staff are primary concerns at Roche Avenue Elementary School. Supervising our students on campus before and after school, during recesses and in our classrooms is a team responsibility. Teachers, supervisory and support staff, along with our administrators enforce a zero tolerance for bullying. Positive Behavioral Interventions and Supports (P.B.I.S.) structures a strong platform for behavioral expectations. Our HERO Card (Honorable, Engaged, Respectful and Outstanding) incentive program promotes consistent reminders to follow those expectations. Bright yellow vests identify our yard and campus supervisors. All visitors must sign in at the front office and receive proper authorization to be on school grounds. Visitors are asked by the school site staff to display their pass at all times. For the safety of our students, all volunteers are fingerprinted and cleared through the Department of Justice. Appointments are made with the school secretary for volunteer fingerprinting.

The School Site Safety Plan was most recently reviewed in fall 2018 by the Safety Committee. Key elements of the plan focus on emergency preparedness. The school is in compliance with the laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. Emergency drills are held on a regular basis; fire drills are held once a month, and earthquake and lock down drills are held twice a year. Active Shooter Training is provided for our entire school staff by the Porterville Police Department.

Anti-bullying and Gender Equity in-services are held with our staff and students twice a year in a comprehensive effort to provide the latest information to help keep our school safe.

Professional Development provided for Teachers

A constructive evaluation process promotes quality instruction and is a fundamental element in a sound educational program. Evaluations and formal observations are designed to encourage common goals and to comply with the state’s evaluation criteria and district policies. Temporary and probationary teachers are evaluated annually and tenured teachers are evaluated every other year.

Evaluations are conducted by site administrators, who have been trained and certified for competency to perform teacher evaluations. Evaluation criteria includes the following:

- Engaging and Supporting all Students in Learning
- Understanding and Organizing Subject Matter for Student Learning
- Assessing Student Learning
- Creating and Maintaining Effective Environments for Student Learning
- Planning Instruction and Designing Learning Experiences for all Students
- Developing as a Professional Educator

Staff members build teaching skills and instructional concepts through participation in conferences and workshops throughout the year. Roche Avenue teachers and support staff work closely with Tulare County Office of Education to ensure a comprehensive implementation of the California Content Standards and C.C.S.S. Instructional Shifts through on and off site professional development opportunities.

This 2018-2019 academic year, teachers will attend additional professional development every week during our Early Release Wednesdays. The focus of the training will be centered around English Language Arts, mathematics and English Language Development. For the past several years, the district has offered two staff development days annually. During this time, teachers are offered a broad-based variety of professional growth opportunities in curriculum, teaching strategies, and methodologies. The school uses the Best Practices teaching strategies and teachers are trained in those techniques each year. Kagan strategies are regularly implemented in the classroom and revisited during weekly staff meetings. Currently Roche Avenue staff members are in the process of implementing the Professional Learning Communities methodology of approaching student learning.

Porterville Unified School District provides, for our Roche Avenue teaching and support staff, one on site Instructional Coach in a full time capacity.

For additional support in their profession, newly assigned teachers may enlist the services of Tulare County Office of Education- Teacher Induction Program (TIP) or Tulare County Office of Education Impact Program and/or the Peer Assistance and Review (PAR) program.

Types of Services Funded

In addition to general state funding, Porterville Unified School District received state and federal categorical funding for the following support programs:

- Title I, Basic Grant
- Title II, Teacher Quality & Technology
- Title III, Limited English Proficiency

* Title VI - Indian, Native Hawaiian, and Alaska Native Education

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
