2012-13 School Accountability Report Card Published During the 2013-14 School Year

About the SARC

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1 of each year. The SARC contains information about the condition and performance of each California public school. All data are reported for the 2012-13 school-year, unless otherwise indicated. For more information about SARC requirements, see the California Department of Education (CDE) SARC webpage at www.cde.ca.gov/ta/ac/sa/. For additional information about this school, please contact the school administration at (559) 568-1731.

Principal's Message

The 2012-2013 school year was one of change and continued improvement for Strathmore High School. A new Dean/Counselor, Andrew Plyman, was assigned to the Campus. In the seven years following the unification with the Porterville Unified School District, we have seen continual growth in our student academic performance and significant enhancement to our facilities and available resources. Strathmore is pleased to have made substantial improvements in our English Language Development program and our re-designation process. Also, increases were achieved in our overall API score and in all of our recognized subgroups. We have increased our Athletic program, we now offer 17 athletic programs with thirty-two teams. Our students are enjoying an educational experience in and out of the classroom here at SHS. We now have two cohorts in our Emerging Agricultural Technologies Pathway. We have 20 students in our sophomore cohort and 32 in our freshman cohort. You will be able to see, based on the data and information presented in this report, that Strathmore High School continues to be competitive with the other high schools in the District and the County.

School Mission Statement

The mission of Strathmore High School is to provide students a dynamic, engaging, and effective educational experience that prepares them with the skills to be productive citizens in a global society

Community & School Profile

Porterville, lying along the foothills of the Sierras, is located on State Highway 65, 165 miles north of Los Angeles, and 171 miles east of the Pacific Coast. Centrally located to major markets, the city has strategic access to major transportation routes. Porterville Unified School District serves more than 13,000 students throughout the community, as well as the town of Strathmore. The district is comprised of ten elementary schools, three middle schools, four comprehensive high schools, one magnet academy, one continuation high school, and two alternative sites.

Strathmore High School serves students in grades nine through twelve on a traditional calendar schedule. Curriculum is based on improving reading and literacy skills, with special emphasis placed on cultural awareness. Diverse literature selections, the annual Cinco de Mayo celebration, International Pen Pals Club, and Dance Club festivities promote a climate of tolerance and acceptance among students and faculty.

During the 2012-13 school year, 345 students were enrolled at the school. Student demographics are displayed in the chart.

Martha Stuemky, Ed.D. Assistant Superintendent Instructional Services

Nate Nelson, Ed.D. Assistant Superintendent Human Resources

Opportunities for Parental Involvement

Parents and the community are very supportive of the educational programs at Strathmore High School. Parent Booster Clubs play an active role in the community and at each school site through fundraising and special activities. Parents are also encouraged to take part in the School Site Council English Learner Advisory Committee, and the FFA Parent Council. The EAT Pathway Advisory Board is also very active.

The District utilizes Blackboard Connect and ABI software in order to more efficiently communicate with parents and the community. Through a series of recorded messages, available in any language, school staff can now notify individuals or large groups of upcoming school events, attendance/ truancy issues, and emergencies. ABI is an online system that allows parents to check on the progress and completion of their child's homework assignments.

Contact Information

Parents who wish to participate in the school's leadership teams, school committees, school activities, or become a volunteer may contact the main office at (559) 568-1731. The district's website (www.portervilleschools.org) also provides a variety of helpful resources and information for parents, students, staff, and community members.

Student Enrollment by Grade Level				
Grade Level	Number of Students			
Gr. 9	70			
Gr. 10	67			
Gr. 11	80			
Gr. 12	73			
Total	290			

Student Enrollment by Group				
Group	Percent of Total Enrollment			
Black or African American	0.3			
American Indian or Alaska Native	0.3			
Asian	0.0			
Filipino	0.0			
Hispanic or Latino	83.4			
Native Hawaiian/Pacific Islander	0.0			
White	15.5			
Two or More Races	0.0			
Socioeconomically Disadvantaged	85.2			
English Learners	55.5			
Students with Disabilities	5.5			

	Average Class Size and Class Size Distribution											
Number of Classrooms*												
Ave	Average Class Size			1-20 21-32 33+								
Year	11	12	13	11	12	13	11	12	13	11	12	13
English	12.3	22.1	14	3	5	15	0	6	4	0	1	3
Math	24.3	22.1	20	2	4	10	2	8	3	0	0	2
Science	23	21.5	21	1	4	4	1	6	5	0	0	1
SS	0	28.4	26	0	0	4	0	7	6	0	0	2

Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area, English, Math, Science and Social Science (SS), rather than grade level.

Suspensions and Expulsions					
School 10-11 11-12 12-13					
Suspensions Rate	18.26	30.33	15.52		
Expulsions Rate	2.32	1.00	0.00		
District	10-11	11-12	12-13		
Suspensions Rate	11.96	11.83	7.97		
Expulsions Rate	1.03	0.14	0.17		

The rate of suspensions and expulsions is calculated by dividing the total number of incidents by the total enrollment (and multiplying by 100).

School Safety Plan

This section provides information about the school's comprehensive safety plan, including the dates on which the safety plan was last reviewed, updated, and discussed with faculty; as well as a brief description of the key elements of the plan.

The safety of students and staff is a primary concern of Strathmore High School. Teachers, administrators, and campus security officers supervise students on campus before and after school, during recess, and throughout the lunch break. All visitors must sign in at the front desk and receive proper authorization to be on campus. Visitors are asked by the staff to display their pass at all times.

The School Site Safety Plan was most recently revised in fall 2012 by the Safety Committee. Key elements of the plan focus on emergency preparedness. The school is in compliance with the laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. Emergency drills are held on a regular basis; fire drills are held twice a year, earthquake drills are held twice a year, and secure campus drills are conducted once each year.

School Facility Conditions and Planned Improvements (School Year 2013-14)

This section provides information from the most recent Facility Inspection Tool (FIT) data (or equivalent), including:

- Description of the safety, cleanliness, and adequacy of the school facility
- Description of any planned or recently completed facility improvements
- The year and month in which the data were collected
- Description of any needed maintenance to ensure good repair

Year and month in which data were collected: 09/07/2011

Strathmore High School was originally constructed in the 1920s and has been thoroughly modernized over the past several decades. The campus is currently comprised of 25 classrooms (including portables), a library, two computer labs, one staff room, a cafeteria, one athletic field, one gymnasium, two administrative office buildings, a horticulture facility, and an ag farm. As the result of a three million dollar bond measure, the campus received a fully renovated gymnasium, library, community center, and various upgrades to a number of classrooms in 2004. During 2007-08, the former home economics classroom was converted into an additional science laboratory. The chart displays the results of the most recent school facilities inspection, provided by the district in December 2011.

School Facility Good Repair Status (School Year 2013-14)

This section provides information from the most recent Facility Inspection Tool (FIT) data (or equivalent), including:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The Overall Rating (bottom row)

	School Fa	acility Good F	Repair Stat	us	
		Repair	r Status	Repair Needed and

School 11-12 12-13 13-14						
Teachers of English Learners	0	0	0			
Total Teacher Misassignments	0	0	0			
Vacant Teacher Positions	0	0	0			

"Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

Professional Development

This section provides information on the number of days provided for professional development and continuous professional growth in the most recent three year period.

A constructive evaluation process promotes quality instruction and is a fundamental element in a sound educational program. Evaluations and formal observations are designed to encourage common goals and to comply with the state's evaluation criteria and district policies. Temporary and probationary teachers are evaluated annually and tenured teachers are evaluated every other year.

Evaluations are conducted by site administrators, who have been trained and certified for competency to perform teacher evaluations. Evaluation criteria includes the following:

- Engaging and Supporting all Students in Learning
- Understanding and Organizing Subject Matter for Student Learning
- Assessing Student Learning
- Creating and Maintaining Effective Environments for Student Learning
- Planning Instruction and Designing Learning Experiences for all Students
- Developing as a Professional Educator

Staff members build teaching skills and concepts through participation in conferences and workshops throughout the year. For the past three years, the district has offered two staff development days.

During this time, teachers are offered a broad-based variety of professional growth opportunities in curriculum, teaching strategies, and methodologies. The school uses the Best Practices teaching strategies and teachers are trained in the techniques each year.

For additional support in their profession, teachers may enlist the services of the district's Beginning Teacher Support and Assessment (BTSA) facilitator and/or the Peer Assistance and Review (PAR) program.

Core Academic Classes Taught by Highly Qualified Teachers

The Federal Elementary and Secondary Education Act (ESEA), also known as No Child Left Behind (NCLB), requires that core academic subjects be taught by Highly Qualified Teachers, defined as having at least a bachelor's degree, an appropriate California teaching credential, and demonstrated core academic subject area competence. For more information, see the CDE *Improving Teacher and Principal Quality* webpage at: www.cde.ca.gov/nclb/sr/tq/

Percent of Classes In Core Academic Subjects Core Academic Classes Taught by Highly Qualified Teachers						
Location of Classes Taught by Highly Not Taught by High Qualified Teachers Qualified Teachers

One Full-Time Equivalent (FTE) equals one staff member working full-time; one FTE could also represent two staff members who each work 50 percent of full-time.

Expenditures Per Pupil and School Site Teacher Salaries (Fiscal Year 2011-12)					
	Expenditures Per Pupil				
Level	Total	Restricted	Unrestricted	Teacher Salary	
School Site	\$10,697	\$835	\$9,861	\$67,805	
District	*	•	\$6,336	\$69,248	
State	*	•	\$5,537	\$68,841	
Percent Diffe	rence: School S	55.6	-2.1		
Percent Diffe	rence: School S	Site/ State	78.1	-1.5	

* Supplemental/Restricted expenditures come from money whose use is controlled by law or by a donor. Money that is designated for specific purposes by the district or governing board is not considered restricted.

* **Basic/Unrestricted expenditures** are from money whose use, except for general guidelines, is not controlled by law or by a donor.

For detailed information on school expenditures for all districts in California, see the CDE Current Expense of Education & Per-pupil Spending webpage at www.cde.ca.gov/ds/fd/ec/. For information on teacher salaries for all districts in California, see the CDE Certificated Salaries & Benefits webpage at www.cde.ca.gov/ds/fd/cs/. To look up expenditures and salaries for a specific school district, see the Ed-Data Web site at: www.ed-data.org.

Teacher and Administrative Salaries (Fiscal Year 2011-12) Category District State Average for District Amount

Category	Amount	Districts In Same Category				
Beginning Teacher Salary	\$42,106	\$40,933				
Mid-Range Teacher Salary	\$63,598	\$65,087				
Highest Teacher Salary	\$82,129	\$84,436				
Average Principal Salary (ES)	\$123,392	\$106,715				
Average Principal Salary (MS)	\$114,481	\$111,205				
Average Principal Salary (HS)	\$124,594	\$120,506				
Superintendent Salary	\$155,487	\$207,812				
Percent of District Budget						
Teacher Salaries	38.9%	39.8%				
Administrative Salaries	4.0%	5.1%				

For detailed information on salaries, see the CDE Certificated Salaries & Benefits webpage at www.cde.ca.gov/ds/fd/cs/.

Types of Services Funded (Fiscal Year 2012-13)

This section provides specific information about the types of programs and services available at the school that support and assists students. For example, this narrative may include information about supplemental educational services related to the school's federal Program Improvement (PI) status.

In addition to general state funding, Porterville Unified School District received state and federal categorical funding for the following support programs:

- Title I, Basic Grant
- Title II, Teacher Quality & Technology
- Title III, Limited English Proficiency

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2013-14)

This section describes whether the textbooks and instructional materials used at the school are from the most recent adoption; whether there are sufficient textbooks and instruction materials for each student; and information about the school's use of any supplemental curriculum or non-adopted textbooks or instructional materials.

Year and month in which data were collected: December 2011

Porterville Unified School District held a Public Hearing on September 6, 2011 and determined that each school has sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English Learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. The chart below displays data collected in December 2011, regarding textbooks in use during the 2011-12 school year.

Texthoo	ks and	Instructional	Materials
I CALDOO	K3 and	instructional	IVIA CE TAIS

<u>Note</u>: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The Standardized Testing and Reporting (STAR) Program consists of several key components, including:

- California Standards Tests (CSTs), which include Englishlanguage arts (ELA) and mathematics (Math) in grades two through eleven; science in grades five, eight, and nine through eleven; and history-social science (H-SS) in grades eight, and nine through eleven.
- California Modified Assessment (CMA), an alternate assessment that is based on modified achievement standards in ELA for grades three through eleven; mathematics for grades three through seven, Algebra I, and Geometry; and science in grades five and eight, and Life Science in grade ten. The CMA is designed to assess those students whose disabilities preclude them from achieving grade-level proficiency on an assessment of the California content standards with or without accommodations.
- California Alternate Performance Assessment (CAPA), includes ELA and mathematics in grades two through eleven, and science for grades five, eight, and ten. The CAPA is given to those students with significant cognitive disabilities whose disabilities prevent them from taking either the CSTs with accommodations or modifications or the CMA with accommodations.

The assessments under the STAR Program show how well students are doing in relation to the state content standards. On each of these assessments, student scores are reported as performance levels.

For detailed information regarding the STAR Program results for each grade and performance level, including the Percent of Students not tested, see the CDE STAR Results Web site at star.cde.ca.gov.

	STAR Results for All Students - Three-Year Comparison								
	Percent of Students Scoring at Proficient or Advanced								
Subject	School District State								
	10-11	11-12	12-13	10-11	11-12	12-13	10-11	11-12	12-13
ELA	33	33	30	42	45	42	54	56	55
Math	8	5	8	41	44	41	49	50	50
Science	27	29	21	44	44	44	57	60	59
H-SS	32	32	42	35	37	36	48	49	49

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible. Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2013 STAR Results by Student Group					
Group	Percent of Students Scoring at Proficient or Advanced				
	ELA	Math	Science	H-SS	
All Students in the LEA	42	41	44	36	
All Student at the School	30	8	21	42

Students with Disabilities	6				
Students Receiving Migrant Education Services	23	8	16	33	

California Physical Fitness Test Results

The California Physical Fitness Test (PFT) is administered to students in grades five, seven, and nine only. This table displays by grade level the Percent of Students meeting the fitness standards for the most recent testing period. For detailed information regarding this test, and comparisons of a school's test results to the district and state, see the CDE PFT webpage at www.cde.ca.gov/ta/tg/pf/.

Grade	Percent of Students Meeting Fitness Standards					
Level	4 of 6 5 of 6 6 of 6					
9	22.5	22.5	26.9			

DataQuest

DataQuest is an online data tool located on the CDE DataQuest webpage at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., state Academic Performance Index [API], federal Adequate Yearly Progress [AYP]), test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners.

Academic Performance Index

The Academic Performance Index (API) is an annual measure of state academic performance and progress of schools in California. API scores range from 200 to 1,000, with a statewide target of 800. For detailed information about the API, see the CDE API webpage at www.cde.ca.gov/ta/ac/ap/.

API Growth by Student Group – Three-Year Comparison				
Crown	Actual API Change			
Group	10-11	11-12	12-13	
All Students at the School	10	8	-42	
Black or African American				
American Indian or Alaska Native				
Asian				
Filipino				
Hispanic or Latino	20	-2	-35	
Native Hawaiian/Pacific Islander				
White				
Two or More Races				
Socioeconomically Disadvantaged	14	-2	-34	
English Learners	1	-9	-35	
Students with Disabilities				

Academic Performance Index Ranks - Three-Year Comparison

This table displays the school's statewide and similar schools' API ranks. The **statewide API rank** ranges from 1 to 10. A statewide rank of 1 means that the school has an API score in the lowest ten percent of all schools in the state, while a statewide rank of 10 means that the school has an API score in the highest ten percent of all schools in the state. The **similar schools API rank** reflects how a school compares to 100 statistically matched "similar schools." A similar schools rank of 1 means that the school's academic performance is comparable to the lowest performing ten schools of the 100 similar schools, while a similar schools rank of 10 means that the school's academic performance is better than at least 90 of the 100 similar schools.

Academic Performance Index Ranks - Three-Year Comparison						
API Rank 2010 2011 2012						
Statewide	3	3	Ι			
Similar Schools 6 3 I						

Federal Intervention Program (School Year 2013-14)

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (ELA or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. For detailed information about PI identification, see the CDE PI Status Determinations webpage: www.cde.ca.gov/ta/ac/ay/tidetermine.asp.

Indicator	School	District

Students	Students	16	579	527,476
with Disabilities	API-G	451	494	615

Adequate Yearly Progress

The federal ESEA requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria:

- Participation rate on the state's standards-based assessments in ELA and mathematics
- Percent proficient on the state's standards-based assessments in ELA and mathematics
- API as an additional indicator
- Graduation rate (for secondary schools)

Detailed information about AYP, can be found at the CDE Adequate Yearly Progress (AYP) webpage at www.cde.ca.gov/ta/ac/ay/.

AYP Criteria	School	District
Made AYP Overall	No	No
Met Participation Rate: English-Language Arts	Yes	Yes
Met Participation Rate: Mathematics	Yes	Yes
Met Percent Proficient: English-Language Arts	No	No
Met Percent Proficient: Mathematics	No	No
Met API Criteria	No	No
Met Graduation Rate (if applicable)	No	No

Admission Requirements for California's Public Universities

University of California

Admission requirements for the University of California (UC) follow guidelines set forth in the Master Plan, which requires that the top oneeighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for Universitylevel work.

For general admissions requirements, please visit the UC Admissions Information webpage at www.universityofcalifornia.edu/admissions/. (Outside source)

California State University

Eligibility for admission to the California State University (CSU) is determined by three factors:

- Specific high school courses
- Grades in specified courses and test scores
- Graduation from high school

Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information see the CSU webpage at

www.calstate.edu/admission/admission.shtml. (Outside source)

Completion of High School Graduation Requirements

This table displays, by student group, the number of students who were a part of the school's most recent graduating class for which CDE has available data and meet all state and local graduation requirements for grade twelve completion, including having passed both the ELA and mathematics portions of the CAHSEE or received a local waiver or state exemption.

Completion of High School Graduation Requirements					
	Graduating Class of 2013

Students with Disabilities	1	41			

Dropout Rate and Graduation Rate						
biopout nate and Gladdation nate						
Indicator	2009-10	2010-11	2011-12			
Dropout Rate (1-year)	13.50	12.20	23.50			
Graduation Rate	77.98	86.52	87.76			
	District					
Dropout Rate (1-year)	17.80	19.30	16.40			
Graduation Rate	83.12	78.07	80.42			
Dropout Rate (1-year)	16.60	14.70	13.10			
Graduation Rate	80.53	77.14	78.73			

 The National Center for Education Statistics graduation rate as reported in AYP is provided in this table.

California High School Exit Examination

The California High School Exit Examination (CAHSEE) is primarily used as a graduation requirement. However, the grade ten results of this exam are also used to establish the percentages of students at three proficiency levels (not proficient, proficient, or advanced) in ELA and mathematics to compute AYP designations required by the federal ESEA, also known as NCLB. For detailed information regarding CAHSEE results, see the CDE CAHSEE Web site at cahsee.cde.ca.gov/.

CAHSEE Results for All Students - Three-Year Comparison Percent of Students Scoring at Proficient or Advanced				
Subject	2010-11	2011-12	2012-13	
English-Language Arts	43	51	22	
Mathematics	41	35	19	
District				
English-Language Arts	46	46	43	
Mathematics	51	49	49	
English-Language Arts	59	56	57	
Mathematics	56	58	60	

Advanced Placement Courses (School Year 2011–12)				
Subject	Number of AP Courses Offered*	Percent of Students In AP Courses		
Computer Science				
English	2			
Fine and Performing Arts				
Foreign Language	4			
Mathematics				
Science				
Social Science	2			
All courses	8	2.6		

Where there are student course enrollments.

	English-Language Arts			Mathematics		
Group	Not Proficient	Proficient	Advanced	Not Proficient	Proficient	Advanced
All Students in the LEA	57	23	20	51	36	14
All Students at the School	78	10	13	81	14	4
Male	74	19	6	87	7	7
Female	80	2	17	78	20	3
Black or African American						
American Indian or Alaska Native						
Asian

Hispanic or Latino	83	7	10	84	11	5
Native Hawaiian/Pacific Islander						
White	50	25	25	75	25	
Two or More Races						
Socioeconomically Disadvantaged	82	9	9	84	13	3
English Learners	100			100		
Students with Disabilities						
Students Receiving Migrant Education Services	84	11	5	95	5	

Career Technical Education Participation			
Measure	CTE Program Participation		
Number of pupils participating in CTE	126		
Percent of pupils completing a CTE program and earning a high school diploma	100.0		
Percent of CTE courses sequenced/ articulated between the school/ institutions of postsecondary education	0.0		

Courses for University of California and/or California State University		
UC/CSU Course Measure	Percent	
2012-13 Students Enrolled in Courses Required for UC/CSU Admission	57.8	
2011-12 Graduates Who Completed All Courses Required for UC/CSU Admission	42.0	

Career Technical Education Programs

This section provides information about Career Technical Education (CTE) programs including:

- Programs and classes offered that are specifically focused on career preparation and or preparation for work
- How these programs and classes are integrated with academic courses and how they support academic achievement
- How the school addresses the needs of all students in career preparation and/or preparation for work, including needs unique to defined special
 populations of students
- The measurable outcomes of these programs and classes, and how they are evaluated
- State the primary representative of the district's CTE advisory committee and the industries represented on the committee

Strathmore High School has an extensive Work Experience program, offering its students a number of Regional Occupation Program (ROP) options. An active FFA provides additional training and Strathmore High also participates in the TCOVE and GIVE programs.

Tulare County Occupational and Vocational Education (TCOVE) classes are also available. The Work Experience program allows students to earn credit while working and attending classes that teach specific information about fields of employment.

The Grow in Vocational Experience (GIVE) Program offers students a variety of career experiences at Porterville Developmental Center. Each student may request assignment to a specific area for concentrated fieldwork. The school offers Ag Welding, and Desktop Publishing on-site. The following Career/Technical Education (CTE) courses are offered at off-campus locations:

- Nursing
- Welding

All of the above-listed courses incorporate state-adopted CTE model curriculum standards, meet district graduation requirements, and/or satisfy A-G entrance requirements of the CSU/UC systems. All courses are evaluated through a combination of student projects, testing, and performance/ attendance.
